PROFESSIONAL SUMMARY

Motivated professional seeking to contribute to a reputable organization by applying a strong work ethic and willingness to learn. Committed to continuous growth, adapting to new challenges, and supporting team goals through collaboration and consistent effort.

WORK EXPERIENCE

Rusi Luzon Ram Cycles

Registration In-Charge

May 2022 - December 2022

- Handled motorcycle registrations and plate issuances, making sure everything follow company rules.
- Took charge of the full registration process and worked with government agencies to quickly solve any customer issues.
- Kept registration records accurate and up to date, and answered questions related to registrations promptly.
- Improved the registration process, which helped speed up plate issuance, lowered customer complaints, and kept us in line with regulations. Also prepared monthly reports for management.

Vantrippers Travel and Tours

IT Intern (Full Stack Web Developer)

March 2025 - May 2025

- Develop and maintain websites to ensure functionality and optimal performance
- Write, test, and debug code using HTML, CSS, JavaScript, and PHP
- Update and manage website content with a focus on responsive design across devices
- Optimize and troubleshoot both front-end and back-end issues independently
- Collaborate closely with the IT Co-Intern on development projects
- Utilize AI tools to boost development efficiency, automate repetitive tasks, and improve code quality
